Great Bowden Neighbourhood Plan - Examination

Submission of Neighbourhood Plan

The Regulation 16 consultation for the submission of Great Bowden Neighbourhood Plan will commence from 27th September 2017 until 8th October 2017. This is a six-week period as required by legislation.

HDC will be working closely with Great Bowden Steering Group during the consultation period. In addition to the Plan being available in Market Harborough Library and on the website, the Steering Group have organised for copies to be held locally in Weltons, Bowden Stores and The Shoulder of Mutton. We hope this will allow as many people as possible to read and comment on this important Plan for Great Bowden.
