

Great Bowden's Neighbourhood Plan

Our Neighbourhood

Our Future

Update – November 2016

Thank you to all who completed the questionnaire earlier in the year.

The information collected has given us a very clear view on what housing you want and where you want it as well as your views on traffic and environment issues.

The results can now be viewed at www.greatbowden.org or you can ask for an emailed copy via the contact information below or alternatively a hard copy can be seen in Weltons.

Your views and comments are key and will be used to prepare the draft policies that will support our community and village life for the future.

We will be holding an

Open Meeting

Saturday 12th November from 10.30am – 12.30pm

Community Pavilion, Recreation Ground

The meeting will start with the Chairs of each Theme Group giving a short presentation on the themes of Environment, Housing, Traffic, Transport, Community Facilities and Employment. Members of The Theme Groups will then answer any questions you may have related to the presentations as well as the full questionnaire results.

Please take this opportunity to share your thoughts and suggestions so that we can prepare the final policies in full for public consultation.
