## Re: Neighbourhood Plan for Great Bowden Parish Council

I am writing to you as a stakeholder who has an interest in Great Bowden to advise you that the Parish Council has taken the decision to prepare a Neighbourhood Plan.

The area covered by the Parish Council has been designated by Harborough District Council as a 'Neighbourhood Area' in accordance with Part 2 of the Neighbourhood Planning (General) Regulations 2012.

It is anticipated that this process will be concluded within the next 15 to 18 months and over the coming weeks and months we will be promoting the Plan with the local community and arranging consultation events in which you can take part and find out more about the Neighbourhood Planning process and have your say about how Great Bowden should look in the coming years. The first of these is on 6 and 7 of May at the village hall from 7 – 10 pm on 6<sup>th</sup> and 11am – 3:00 pm on 7<sup>th</sup>.

The Neighbourhood Plan will establish planning policies that are likely to cover issues such as housing; environment; economic development; community facilities; heritage; leisure and transport.

At this stage, I would be grateful for your acknowledgement of this letter; to receive an early indication from you as to whether you have any issues that you would like the Neighbourhood Plan to specifically address and confirmation that you are the most appropriate person to contact within your organisation for Neighbourhood Planning purposes. We will not pass your details onto any 3<sup>rd</sup> party. Your details and any information is held privately by the Neighbourhood Plan committee to the Parish Council.

I look forward to hearing from you in relation to these issues and to keeping you in touch with developments as the process continues.

Should you require any further help or clarification, please contact me at the above address

Yours sincerely
