

**Great Bowden's
Neighbourhood Plan
Our Neighbourhood
Our Future**

Community Questionnaire

We very much hope you will be able to help us develop our Neighbourhood Plan so that it includes your views on how you would like Great Bowden to be in the future.

The Neighbourhood Plan is explained at the beginning of the survey, which also contains details of who to contact if you need more information.

The survey needs to be completed before **July 23rd**.

If possible we would prefer you to complete it online at www.surveymonkey.co.uk/r/GreatBowden, as this makes analysis of the data very much easier.

For 11-18 year -olds there is a separate survey at www.surveymonkey.co.uk/r/GreatFuture.

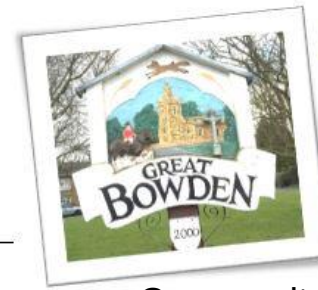

If you fill in a paper copy could you please drop off your completed questionnaire either in the box located in Weltons or to your local co-ordinator, who is:
